### 1. Five Handshakes in Five Minutes (5 mins)

1. Assemble your group in front of you, or in circle.
2. Explain that you will shortly introduce a series of fun handshake greetings.
3. By demonstration with a volunteer, engage in a typical 'high-five' greeting.
4. Invite everyone to engage in a 'high-five' with as many people as possible in the group.
5. Next, demonstrate a second innovative handshake greeting (view [Video Tutorial](#) for some fun ideas), and invite your group to try it out.
6. Repeat this process three more times.

### 2. Gotcha (5 mins)

1. Form a circle, including yourself, facing inwards and standing side by side.
2. Ask everyone to hold out their right hand palm-facing up towards their right-hand side neighbour.
3. Ask everyone to place the end of their left pointer finger into the open palm of their left-hand neighbour.
4. On "GO," everyone attempts to catch the finger of their partner in their right palm while also avoiding their finger being caught by their left-hand neighbour.
5. A person who successfully catches a finger in their palm yells "GOTCHA!"
6. Repeat several times, or try one of many variations (refer [Variations](#) section).
